The screenshot shows the DoubleBitcoin website dashboard. At the top, there is a navigation bar with 'Dashboard', 'FAQ', 'Affiliate', and 'Support' links. The current time is 6:22:10 on 01.03.2017. The dashboard features three main statistics: '24 Hours' (Instant payment after 24 hours, Min: 0.001, Max: 100), 'Total Deposit' (26598.88234551 BTC, 68865 Total accounts), and 'Total Paid' (22896.97435 BTC, 108254 Total paid transactions). Below these is a form to 'Enter your receiving Bitcoin wallet address' with a 'Let's double it!' button. To the right, there are two Bitcoin icons and a piggy bank icon with the text 'Double !!'. A section titled 'New members who are doubling right now' includes a table with columns for Time, Trans. ID, Amount, and Status. The table lists three transactions, all with a status of 'ACTIVE'.

The advertisement features a large, stylized '3%' in a gradient of purple and pink. To the right is a circular portrait of a woman with dark hair. Below the portrait, the text 'LARA WITH ME' is displayed. Underneath that, 'DAILY PROFIT' is written in large, bold, white letters, followed by 'Lifetime...' in a smaller font. At the bottom right, there is a blue and pink button with the text 'ACTIVATE NOW' and a power icon.

Review How to Register Swisscoin or Create a Account in Swisscoin

Swisscoin is a future of the digital crypto-currency which is an alternative to Bitcoin. A group of partners from Germany has introduced this Swisscoin in Switzerland. This Swisscoin has been launched when they found that the Bitcoin is a successful trading company. Cryptocurrency is said to be 100% digital currency and it also has the high degree of protection.

Swisscoin The Next Generation Cryptocurrency What is Swisscoin ? How Swisscoin works?

It is very import to know how Swisscoin works for the people who are using this. So here is how the Swisscoin works. Usually, you start using Swisscoin by using or buying a trainee pack. In this, you can receive coins up to from €25 to €15,000.

After selecting the pack you get you amount of tokens. Tokens are invested into mining in which by tokens they pay the cost of producing the coins. The coins are produced in steps which are called as splits. There is a split indicator that shows the process of the split. For 1 token you will receive 1 swiss coin. So in this way you can earn more money.

File photo of the convict, Ali Ansari.

The 27-year-old musician had alleged that she was raped twice at knife-point at her rented apartment by a burglar late in the night on November 5, 2012.

MUMBAI: A sessions court in Mumbai today gave life imprisonment to a man who raped a Spanish woman in her apartment at knife-point in Mumbai's Bandra a year ago.
